Open Learning Courses, or courses that are outside the traditional schedule, are fully refundable if dropped before 20% of the course has been completed. Do not include partial days when calculating 20% of completion. For example, 20% of an 8-day course equals 1.6 days; therefore, the refund is calculated only if course is dropped on or before the first day. Courses with duration of 5 days or less must be dropped on or before the first day of the course to receive a full refund.

A course is not dropped by not attending. It is the student's responsibility to officially drop or withdraw from UNM by the published deadline (see above) to insure proper credit of tuition and fees are received.
