1 to 9 hours	\$594 (flat)		\$594 (flat)	

## Summer 2014 – Tuition and Fees

**Enrollment Cancellation** is Friday, May 30, 2014. Students must pay their Enrollment Cancellation balance by 5:00 PM. Payment plans and online payments will be available through 11:59 PM.

### Reduced Tuition for Senior Citizens

A student qualifies for a reduced tuition rate of \$5.00 per credit hour if they are:

- A New Mexico resident as defined by the NM Department of Higher Ed;
- Age 65 or older as of the 21<sup>st</sup> day from the starts of the semester;
- Registering for no more than six credit hours;
- Registering on or after June 2, 2014

### Refund Deadlines

Courses must be dropped by 5:00 PM on the listed day to receive the refund:

#### All Programs, except College of Nursing

1 <sup>st</sup> 4-week	Friday, June 6, 2014
8-week (Full-Term)	Friday, June 13, 2014
2 <sup>nd</sup> 4-week	Friday, July 4, 2014

#### College of Nursing

1 <sup>st</sup> Half-term	Monday, May 19, 2014
Full-Term	Monday, May 26, 2014
2 <sup>nd</sup> Half-Term	Friday, July 11, 2014

**Open Learning Courses**, or courses that are outside the traditional schedule, are fully refundable if dropped before 20% of the course has been completed, except Independent Study through Correspondence courses (see below). Do not include partial days when calculating 20% of completion. For example, 20% of an 8-day course equals 1.6 days; therefore, the refund is calculated only if course is dropped on or before the first day. Courses with duration of 5 days or less must be dropped on or before the first day of the course to receive a full refund.

**Independent Study through Correspondence** courses are fully refundable if dropped on or before the 33<sup>rd</sup> day of registration AND no coursework has been submitted. Please contact the Correspondence Office for additional information.

**A course is not dropped by not attending.** It is the student's responsibility to officially drop or withdraw from UNM by the published deadline (see above) to insure proper credit of tuition and fees are received.

### Mandatory Student Fees, Course Fees, and Curricular Fees

**Mandatory Student Fees**, as prescribed in [UNM Policy 1310](#), are assessed to all students registered on main campus, including the Health Sciences Center, and are assessed with tuition. Through the Student Fee Review Board (SFRB), [ASUNM](#) and [GPSA](#) hold deliberation on the fee amount to assess. The Board of Regents approves the final amount.

**Course Fees**, as prescribed in [UNM Policy 8210.3](#), "are intended to help defray costs specifically associated with certain courses and are not intended to replace general operation costs, which are paid from tuition." They are approved by the Provost/Executive Vice President for Academic Affairs or the Chancellor for Health Sciences ([UNM Policy 8210](#)).

**Curricular Fees**, as prescribed in [UNM Policy 8210.3.2](#), "are charged to support curricular needs in the department, college, or school. The fee funds short-term and long-term needs for the purpose of instructing students, including technology, broadly shared materials and equipment, and other expenses relevant to multiple courses in a program." They are a type of course fee, therefore, are approved by the Provost/Executive Vice President for Academic Affairs or the Chancellor for Health Sciences.
