Courses with duration of 5 days or less must be dropped on or before the first day of the course to receive a full refund.

Independent Study through Correspondence courses are fully refundable if dropped on or before the 33rd day of registration AND no coursework has been submitted. Please contact the [Correspondence Office](#) for additional information.

A course is not dropped by not attending. It is the student's responsibility to officially drop or withdraw from UNM by the published deadline (see above) to insure proper credit of tuition and fees are received.

Mandatory Student Fees, Course Fees, and Curricular Fees

Mandatory Student Fees, as prescribed in [UNM Policy 1310](#), are assessed to all students registered on main campus, including the Health Sciences Center, and are assessed with tuition. Through the Student Fee Review Board (SFRB), [ASUNM](#) and [GPSA](#) hold deliberation on the fee amount to assess. The Board of Regents approves the final amount.

Course Fees, as prescribed in [UNM Policy 8210.3](#), "are intended to help defray costs specifically associated with certain courses and are not intended to replace general operation costs, which are paid from tuition." They are approved by the Provost/Executive Vice President for Academic Affairs or the Chancellor for Health Sciences ([UNM Policy 8210](#)).

Curricular Fees, as prescribed in [UNM Policy 8210.3.2](#), "are charged to support curricular needs in the department, college, or school. The fee funds short-term and long-term needs for the purpose of instructing students, including technology, broadly shared materials and equipment, and other expenses relevant to multiple courses in a program." They are a type of course fee, therefore, are approved by the Provost/Executive Vice President for Academic Affairs or the Chancellor for Health Sciences.
