Fall 2017 – Tuition and Fees

\*Tuition is assessed independently at each campus.

Table with columns for NM Residents and Non-Residents, listing fees for Dissertation, School of Medicine, and Other Mandatory Fees.

The Enrollment Cancellation payment deadline is 5:00 PM Friday, September 1, 2017 (except for RN-BSN students). Students with a prior semester balance greater than \$200 will be canceled from their Fall 2017 courses.

Reduced Tuition for Senior Citizens

A student qualifies for a reduced tuition rate of \$5.00 per credit hour if they are:

- A New Mexico resident as defined by the NM Department of Higher Ed
• Age 65 or older as of the 21st day from the starts of the semester
• Registering for no more than six credit hours
• Registering on or after August 21, 2017

Refund Deadlines

Courses must be dropped by 5:00 PM on the listed day to receive the refund:

Table with columns for All Programs, except College of Nursing and College of Nursing, listing refund deadlines for First-Half Term, Full Term, and Second-Half Term.

Open Learning Courses, or courses that are outside the traditional schedule, are fully refundable if dropped before 20% of the course has been completed, except Independent Study through Correspondence courses (see below).

A course is not dropped by not attending. It is the student's responsibility to officially drop or withdraw from UNM by the published deadline (see above) to insure proper credit of tuition and fees are received.

Mandatory Student Fees, Course Fees, and Curricular Fees

Mandatory Student Fees, as prescribed in UNM Policy 1310, are assessed to all students registered on main campus, including the Health Sciences Center, and are assessed with tuition.

Course Fees, as prescribed in UNM Policy 8210.3.2, are intended to help defray costs specifically associated with certain courses and are not intended to replace general operation costs, which are paid from tuition.

Curricular Fees, as prescribed in UNM Policy 8210.3.2.2, are charged to support curricular needs in the department, college, or school. The fee funds short-term and long-term needs for the purpose of instructing students, including technology, broadly shared materials and equipment, and other expenses relevant to multiple courses in a program.
