Open Learning Courses, or courses that are outside the traditional schedule, are fully refundable if dropped before 20% of the course has been completed. Do not include partial days when calculating 20% of completion. For example, 20% of an 8-day course equals 1.6 days; therefore, the refund is calculated only if the course is dropped on or before the first day. Courses with a duration of 5 days or less must be dropped on or before the first day of the course to receive a full refund.

<u>A course is not dropped by not attending.</u> It is the student's responsibility to officially drop or withdraw from UNM by the published deadline (see above) to ensure proper credit for tuition and fees is received.
